Dear Trustees,

On behalf of the fifth grade students and staff, we would like to thank you for making it possible for six of our students to attend the May 13 -16 trip to Nature's Classroom. With your generous support, we were able to honor all of the scholarship requests we received. In addition, we are grateful to you for providing substitute teacher funds so that Damon Beiter could accompany us on this trip.

Thank you again for your continued support of this valuable educational experience. We hope that you will be able to join us on our slideshow presentation at the end of the year to learn more about our experiences at Nature's Classroom.

Sincerely,

Terry Monette
