Dear Ms. Dorward and Directors of the Harvard Schools Trust:

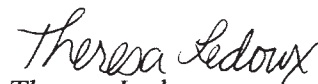

Thank you for your generous contribution of \$3000 to the Harvard Odyssey of the Mind World Finals Fund.

At the end of May, three teams from the Harvard Public Schools (from grades 3, 4, and 6) traveled to the University of Maryland to compete with more than 700 teams from around the world, including China, Japan, Germany, El Salvador, and nearly every state in the U.S.

It was a unique and exciting experience for the Harvard students to present their problem solutions on the world stage, and each team from Harvard worked hard and placed well within their division.

On behalf of the students and their coaches, thank you again for supporting the Odyssey of the Mind program.

Sincerely,

Theresa Ledoux
Harvard Odyssey of the Mind Coordinator
