Dear Members of the Harvard Schools Trust,

The doors at HES have opened, and the teachers have been busy getting acquainted with their new students. We are pleased that one tool they have to help them do so this year is the DRA, the reading assessment kit you so generously provided for. We are most appreciative of this wonderful gift and look forward to the insight we shall gain through its use. The DRA is a highly regarded assessment tool that will help teachers better identify and meet the needs of the young readers at HES. We feel fortunate to have it available to us.

It is wonderful to have an organization such as the Harvard Schools Trust to support the important task of educating the children of Harvard. We thank you so much for all you do.

Sincerely,
