Dear Members of the Harvard Schools Trust,

Thank you for your generous gift to help establish the Mentor Text Library at HES for writing. It is very exciting to watch the books come in and realize the potential they hold for developing our young writers. Through the use of this library, it is hoped that the students will better understand the qualities of good writing and develop a repertoire of skills and strategies that will enable them to communicate meaning in a clear and effective way.

You have demonstrated your commitment to the children of Harvard over and over again. I applaud all you do.

With much appreciation,

Cynthia Hansen
