To: The Members of Harvard School Trust.

Thank you so much for granting us the money to buy a T.V. for our classroom. We were able to buy a brand new T.V. and V.C.R/D.V.D. player. Our class raised about \$70-\$80 to donate to "The Heifer Project". With the T.V. You granted we will be able to watch educational movies to go with our current science unit. We greatly appreciate you generosity.

Sincerely,

Mrs. Marya's 5th grade class.
