Dear Trustees,

My students and I wish to thank you sincerely for awarding the generous grant that will purchase a new teacher's workstation for the Digital Arts Department. It will help to increase productivity in both my teaching as well as in my position as Web-Master for the School District.

I would like to mention that in calculating the total requested sum of the grant, I inadvertently omitted the cost of the monitor at \$312.97. If it is possible for the Trustees to address that error at this time and supply the additional funds, we would be most grateful.

Again, thank you for your generosity. With your help we will be able to give our students a better education.

Sincerely,

Maatha Brooks
