Dear Harvard Schools Trust,

I would like to extend our great appreciation for your generosity in supporting the Harvard Elementary School SMARTboard grant that was brought to your organization.

The funds you have committed, of up to \$10,069.00, will be used to complete the balance of \$20,000.00 donated by the Shaw's Trust for 5 permanently installed SMART board systems, including supporting hardware and software.

We will be receiving final quotes from the vendor over the next couple of weeks which we anticipate will not exceed the total funds committed to the project by the Trust. If this should change in any way we will let you know.

As instructed, I will contact the appropriate member of the Harvard Schools Trust to transfer the money to the gift account when we know the final number.

Thank you again for your on-going support of our schools.

All the best,

Mary Beth Banios
