Dear Harvard Schools Trust Members,

Thank you for your generous support of our attendance at the Center for Teaching and Learning seminar -- "Lessons That Change Writers, Grades 5-9". Based firmly in the belief that *every* student can write well, Nancy Atwell shared her experience, philosophy, and practical suggestions for helping students progress as writers. We are excited about incorporating many of her ideas into the fifth grade writing workshop.

Sincerely,

Handwritten signatures of Sangita Marya and Tammy Wilkinson. The signature for Sangita Marya is written in a cursive style, and the signature for Tammy Wilkinson is also in cursive.
