Dear Harvard Schools Trust Members,

Thank you for supporting our implementation of the Jr. Great Books program. Our students are enjoying both the texts and the conversation. It's exciting to see their enthusiastic and critical evaluation of questions that don't have a "right answer". Several kids have mentioned how fun it is, a testament to the rich learning experience this program provides. We're looking forward to a visit from a Jr. Great Books consultant in mid-April.

Thanks again.
